“ Jim and family my deepest sympathy. Time and distance may make friendships harder to maintain but the memories of friendships help us endure into the future. All of my memories of Pat are of laughter and joy. The parties she threw in your lovely home were spectacular. Great memories. She is resting with the Lord now and we must take comfort in that. She and all of you are in my prayers. May God bless you all. From Charleston, Kevin Nadzam.

“ I first met Pat when my husband, Joe, and I were invited to her home in celebration of her husband's birthday. Her gracious and welcoming manner made me feel like I had known her forever. I feel so blessed to have gotten to know this wonderful woman. She was an inspiration not only to her family but to all who knew and worked with her. Pat made a difference in the lives of those around her and she will be sorely missed. I would like to offer my most sincere condolences to Jim and the Pilcher family. May God bless you and guide you through this sorrowful time.
